Operating since 2001, the award winning Swan Valley Tours have developed a reputation for providing the best value winery experience in the Swan Valley.

Our Swan Valley wine tour guides are friendly, courteous and knowledgeable - they ensure that you have much more than just the run-of-the-mill wine tour. We keep our daily indulgence tour groups small, so you get to know other interesting and fun-loving people whilst sharing the many varied tastes on offer.

We also provide a complimentary image service: our guides take photos during the tour, and they are posted into the Photo Galleries on our website for you to download and e-mail to your friends.

A comprehensive range of Group Packages, Charters and limousine services are also available.
